Western Kings Arena Benefit Dinner and Silent Auction

Saturday, February 25, 2012

The Western Kings Arena is a hub of the Central Annapolis Valley Community. It is used by a wide range of community groups including Minor Hockey, figure skating, local schools, and is the home of the Kingston Steer Barbeque. Over the last few years, the arena has had to make essential upgrades to its infrastructure at a substantial cost. There has been a lot of in-kind work over the past years, but there has been a substantial debt load left for the arena to contend with.

On February 25, 2012, the "Friends of the Village" are organizing a Dinner and Silent Auction at the Kingston Legion to help alleviate some of the debt load. We would very much appreciate a donation for the arena: We are seeking items for the silent auction, or cash donations for which a tax receipt will be provided.

We anticipate selling 200 tickets for the Dinner and Silent Auction.

Thank-you for your past support in community projects, and we look forward to seeing you again this year.

Sincerely ----The Friends of the Village
