2022 KINGSTON STEERFEST, Saturday, July 9, 2022
INDOOR MARKET at CU Centre, 1490 Westwood St
9:30am – 4:30pm

Dear Vendors:

With some optimism, after a 2-year hiatus, Kingston is laying plans for **STEERFEST**. Our traditional Steer BBQ is being re-worked and revamped to reflect the changing times. On Sat July 9th we hope our Village mascot, Kingsley the Steer, will be celebrated once again with a parade, entertainment, and lots of delicious food options.

As has been done in recent years prior to Covid 19, a **Market** is being planned to provide festival goers an opportunity to purchase locally sourced items from an eclectic mix of vendors. We have chosen to house the Market **inside** the **Credit Union Centre (arena)**, 1490 Westwood St, to avoid the worry of uncertain weather conditions. We anticipate antique dealers, flea market stalls, and all manner of original notions on display to promote and generate funds for individuals, community groups, and clubs that may wish to try something new and different after a long period of restricted activity and limited opportunity. The **Market** will run from 9:30 – 4:30. Set up can begin at 8am. Convenient parking for vendors will offered at the rear of the arena.

With optimism, we predict herds of people will be eager come out to **STEERFEST** to enjoy the music, the food, and the attractions, and simply to be around other happy people again! The Committee is very confident that browsers and vendors alike will “steer” towards a **Market**.

Some vendors have already responded with expressions of interest. Stalls will be 12’ x 12’ @\$20.

- Electricity is very, very limited, so if a vendor requires electricity, you’d best respond on the double. As well, there will be an additional fee of \$5 for those requiring electricity.
- Because this Market is indoors, no canopies are necessary, however, you may wish to enhance your display by using a canopy to define your space.
- **Additionally, I am hopeful vendors will PROVIDE THEIR OWN TABLES.** If unable to provide your own tables, a limited supply of tables (6’ long) is available at an additional cost of @\$5. An option might be to rent only one of our tables, and supplement the rented table with addition surface space of your own.
- Vendors are encouraged to decorate their stalls to make them bovinely beautiful!

Remember, rain or shine, **STEERFEST**, and therefore the **Market**, will take place UNLESS PROHIBITED BY COVID RESTRICTIONS, which, sadly, no one can predict.

I am attaching an application form with this email and am pleased to say that etransfer is available for payment!
