KINGSTON VILLAGE COMMISSION

MINUTES OF THE COMMISSION MEETING OF APRIL 3, 2019

COMMISSION:

John Pierce – Vice Chair
Paul Parsons
Muriel West
Wayne Fowler

Mike McCleave – Clerk/Treasurer
Janice Hatfield – Administrative Assistant - Absent

OPENING

With the passing of Chair Don Holmesdale, Vice Chair Pierce chaired the meeting. The meeting was called to order at 7:00pm.

REVIEW OF MINUTES

Vice Chair Pierce asked for a review of the March 6, 2019 Regular Session meeting minutes.

ON MOTION OF COMMISSIONER WEST AND COMMISSIONER FOWLER THAT THE COMMISSION APPROVE THE REGULAR SESSION MEETING MINUTES OF MARCH 6, 2019 AS PRESENTED. MOTION CARRIED.

BUSINESS ARISING FROM THE MINUTES

Vice Chair Pierce asked for any business arising from the minutes of March 6, 2019.

Arena Ice Removal

Commissioner Fowler stated the arena staff is trying a different method to dispose of the ice surface this year.

Commissioner West stated she will be away for the May 1st Regular Session Meeting.

CONSENT TO AGENDA ITEMS

Vice Chair Pierce asked for a motion to approve the agenda items as presented.

ON MOTION OF COMMISSIONER FOWLER AND COMMISSIONER PARSONS THAT THE COMMISSION APPROVE THE AGENDA AS PRESENTED. MOTION CARRIED.

COMMITTEE REPORTS – See Full Reports

WASTEWATER – See Full Report

PUBLIC WORKS – See full report

Clerk stated the Village will save money in the long run on winter road salt consumption by buying in bulk and that a better salt spreader would save even more money. A new salt spreader could be looked at in future years.

Vice Chair Pierce asked when the leaf/brush bins will be put out for public use. Clerk stated public works suggested ordering them in a week or two after the ground has hardened a bit more. Commissioner Fowler suggested the location could change to the rink parking lot to avoid the problem of tearing up the grass by the barn. Commission suggested passing on this idea to the Public Works Supervisor.

RECREATION

Spring Newsletter Items

Vice Chair Pierce suggested two items: the leaf/brush bin dates and picking up after your dog. Commissioner West, on behalf of the Steer BBQ Committee, asked to have in the newsletter a call to residents for historical pictures of the Steer BBQ. Clerk stated a resident is interested in historical pictures of the area and he suggested to her that she consider reviving the Kingston Historical Society. Commissioner West also suggested having the commissioner (possible) election dates included in the newsletter. Commissioner Parsons suggested including the item regarding becoming a Village Commissioner in every newsletter.

Community Gardens

Commissioner West suggested that, if community gardens ever get placed in the Village, they should be placed in a non public area as they tend to be very unsightly. Commission questioned whether there was much demand for other garden areas besides behind the United Church.

Steer BBQ

Commissioner West stated she attended the last Steer BBQ meeting and advised that the Steer BBQ sign is not ready yet and that they are still looking at designs and a suitable material. The committee is also looking at getting 10 banners made to help promote the 60th year. They are also working on getting the event into the Guinness World Records. The Committee would also like to engage the business community to celebrate the milestone.

Ball Field Irrigation Possibility

Vice Chair Pierce asked about the irrigation of the ball field and if the office will get another quote. Clerk stated this was for informational purposes only and learned that

we would need a 6 inch well to produce the required 50 gallons at 75psi; currently, we only have a 4 inch well. To irrigate both fields would cost approximately \$50,000.

APPLE BLOSSOM

Commission suggested the Clerk call the King Lion to see if their payment toward the Apple Blossom Booster fee was correct. Commissioner West plans to attend the Wardrobe Tea on May 4th but back up will be Commissioner Pierce.

Commissioner West stated the float design is complete and decorating will take place soon.

Wastewater, Public Works, Recreation and Apple Blossom reports were received as presented.

CLERK REPORT

Clerk stated the committee reviewed the 4 nominations for Volunteer of the Year which included:

- Carl Nichols – Nominated by the Kingston Area Seniors Associations (KASA)
- Jen Vaino – Nominated by Pine Ridge Middle School
- Sharon Hatt – Nominated by the Upper Room Food Bank
- Carl Howard (Coach) – Nominated by Cindy Howard for Kingston Greenwood Minor Baseball

After reviewing the nominations the selection committee chose Carl Nichols as Volunteer of the Year for 2018. Commissioner West will award the Volunteer at the Annual General Meeting.

Commissioner Pierce stated letters go out to all of the volunteer organizations but the village only receives a few nominations. Commission suggested more needs to be done to get nominations. Commissioner Fowler also suggested the Commission score the nominations a month prior and present those scores to the selection committee.

ON MOTION OF COMMISSIONER WEST AND COMMISSIONER FOWLER THAT THE VILLAGE OF KINGSTON RECOGNIZE CARL NICHOLS AS OUR 2018 VOLUNTEER OF THE YEAR. MOTION CARRIED.

Department of Natural Resources Easement

Clerk stated the process of getting the easement for the force main on the rail bed is progressing and we are just waiting for the formal recording of the easement, which should be within a month or so.

DNR Land Purchase – Green Space

Clerk stated the land purchase is still in the hands of the Department of Natural Resources.

CIBC Building

The purchase of the CIBC Building was completed on March 31st. Clerk stated the design work of the new offices and library needs to be completed as soon as possible. The snow removal contract will have to increase to include the ploughing of the CIBC parking lot and the J&R Pizzeria parking area.

ON MOTION OF COMMISSIONER WEST AND COMMISSIONER FOWLER THAT THE BUDGET FOR DOWNTOWN SNOW REMOVAL BE INCREASED FROM \$24,300 TO \$27,000 TO INCLUDE THE CIBC PARKING LOT. MOTION CARRIED.

Visitor Information Centre Funding

Clerk stated he applied for more funding this year from the County for the Visitor Information Centre in hopes they will increase the amount given over last year. The County had pro-rated their amount to \$2,300 since they received so many applications. He stated the Village typically receives \$5,000 from the Village of Greenwood, \$3,300 from the province and \$5,000 from County of Kings. The Village covers the remaining cost of \$9,400 to run the centre.

Department of Transportation (DTIR) Meeting See full report.

Clerk stated he and Public Works Supervisor Dan Lundrigan met with Area Manager Richard Lloyd to discuss concerns. Richard Lloyd empathized with the Village's issues but expressed that funds are a limiting factor. Mr. Lloyd said if the Village Commission wants to beautify Exit 17 where all the sand is, and get extra streetlights at that exit, it is up to the Commission to pursue getting funding for it. Clerk stated it should be emphasized that DTIR needs a better budget. Commissioner Pierce suggested meeting with Leo Glavine MLA Kings West to discuss the larger projects. The Commission agreed to try to arrange a meeting with Leo Glavine on April 15th. Clerk stated Mr. Lloyd was willing to work on the smaller projects with the Village and could meet with the Commission in June after the Annual General Meeting. Richard Lloyd also stated the Balser Drive sidewalk design with the soak away pits will be revisited.

Commissioner Fowler expressed concern over the people using the trail and not stopping where the trail meets Greenwood Road south. Clerk will contact the trail society to request a chicane.

Clerk also pointed out that the Village has informal approval to install RA-4 rapid flash sign (a strobe light that flashes) at the Main St/Maple St intersection for pedestrian safety.

Upcoming Calendar Dates

Election

Nomination Period	Thursday, May 2, 2019 to
Nomination Day	Wednesday, May 15, 2019
Advance Poll	Tuesday, May 28, 2019
Election Day	Saturday, June 1, 2019
Annual General Meeting	Thursday, May 30, 2019

Clerk will advertise the dates of the election in the local papers and on social media.

CAPITAL PROJECTS

STP Clarifier Refurbishment - \$75,000 (100% gas tax) – Deferred to next fiscal year.

Maple St RCMP Lift Station - \$150,000 (100% gas tax) Actual Cost - \$123,794 – Project completed.

Public Wi-Fi/Camera Expansion - \$19,000 – Actual \$14,078 Installation still required

Lights to LED Conversion - \$15,000 – Actual \$11,810 Project completed.

Ravenwood Lower Field Re-dressing - \$12,000 – Upper field to be fixed first.

Stronach Park Fitness Equipment - \$7,000 – Actual \$7,581

Ravenwood Fencing - \$10,000 (\$8,100 spent)

- Ravenwood Basketball Court and Rec Hut playground gate installed \$4,800
- Tennis Court fence hole and gate repaired \$3,300
- Ravenwood Playground fence not completed

2019/20 Budget Schedule – Wednesdays, 7pm Village Office

January 23	Special Meeting	Capital Budget Workshop/Prioritization
February 6	Regular Meeting	Operating Budget Discussion
March 6	Regular Meeting	Budget Update and Capital Budget Approval
April 3	Regular Meeting	Operating Budget Released
April 24	Special Meeting	Operating Budget Deliberations (cancelled)
May 1	Regular Meeting	Operating Budget Deliberations and Approval

Clerk stated he will make Santa Comes to Kingston a line item in the Finance Report.

Festivals and Events Funding Request

Commissioner Pierce stated a group called Sisters of Science have submitted a funding request in the amount of \$490.00 for a BBQ fundraising event to help offset their budget expenses. Clerk clarified the Village's Festivals and Events funding is to support events and that the Village is not permitted to give grants to organizations.

ON MOTION OF COMMISSIONER FOWLER AND COMMISSIONER WEST THAT THE VILLAGE APPROVE \$200 FOR THE SISTERS OF SCIENCE EVENT. MOTION CARRIED.

CORRESPONDENCE:

Retirement Dinner for Lorrie Penny

The Village Commission are invited to attend a retirement dinner at the Kingston Lions Hall on April 16th to recognize and honour Lorrie Penny, a business owner and community supporter for the past 25 years. Commission agreed to present Lorrie a photograph of Stronach Park with a dedication plaque. Commissioner Fowler will attend.

New Business

LED Light Village Sign

Commissioner Pierce stated the Kingston Legion, Kingston Lions and Kingston Fire Hall have all agreed to partner with the Village in contributing \$5,000 each for the purchase of an LED sign. Clerk stated the present County of Kings sign bylaw only allows a maximum of 10 square feet. He stated there is a new bylaw coming out in September and there may be a change from 10 to 40 square feet for an LED sign. Commission agreed to move forward with this and work out the details of location and size.

ON MOTION OF COMMISSIONER FOWLER AND COMMISSIONER PARSONS TO MOVE FORWARD IN PARTNERSHIP WITH THE KINGSTON LEGION, KINGSTON LIONS AND THE KINGSTON FIRE DEPARTMENT / COMMISSION TO PURSUE GETTING AN LED SIGN FOR THE DOWNTOWN CORE. MOTION CARRIED.

Library / CIBC Building

Commissioner Pierce suggested making a public announcement/editorial in the local newspaper to inform the community that the Village has purchased the CIBC building to move the office to, as well to expand the existing village office to provide more space for the library. Commissioner West suggested putting new ownership signage on the CIBC windows. Clerk stated there is an urgency of getting a plan together for the CIBC building with some engineer and basic architect assistance since time consuming tendering may be involved. And for the library building Clerk stated there is timely grant money involved. Clerk stated if we're under \$10,000 we need three quotes. Commission agreed the first step is for the Clerk to start with a basic plan and to put together a needs list.

Village / County Meeting

Commissioner Pierce stated the next Village/County meeting will be on Wednesday, April 17th. Clerk stated he would like to reiterate the Commission's points regarding the Village's funding model with the County and the time consuming recreation grant application process. There should be one grant for just Villages within the County and the Village should not be lumped in with the other Grants to Organizations.

BUDGET

Clerk presented budget for upcoming 2019/20 fiscal year. Clerk stated in order to receive Provincial Capital Assistance Program (PCAP) funding for the \$400,000 East Main St Force Main project along the rail bed, he must include a resolution from the Commission supporting the submission of the application.

ON MOTION OF COMMISSIONER FOWLER AND COMMISSIONER PARSONS THAT THE COMMISSION OF THE VILLAGE OF KINGSTON SUPPORT THE KN14 SEWER FORCEMAIN PROJECT AND ITS ACCOMPANYING APPLICATION FOR UP TO 50 % FUNDING UNDER THE PROVINCIAL CAPITAL ASSISTANCE PROGRAM (PCAP) OF FISCAL 2019-2020.

Other Business

Commissioner Pierce suggested the Clerk get legal advice regarding a service that was provided to the Village with no invoice sent for several years.

ADJOURNMENT

ON MOTION OF COMMISSIONER FOWLER THAT THE MEETING BE ADJOURNED AT 10:20PM. MOTION CARRIED.

REPORT TO VILLAGE COMMISSION

From: **Danny Lundrigan, Public Works Supervisor**
Date: **May 1, 2019**
Re: **Environmental Services Report**

April 5th - OmniSite notified staff that one of the pumps had tripped out on overload at KN-3 lift station on East Main Street. Wastewater staff pulled pump and had to remove sensor head that was jammed in impeller housing. As reported last month, staff were called out on St. Patrick's Day because sensor was missing off the end of the cable. Sensor head was removed and pump was returned into wet well. New sensor and cable were ordered, received and installed back in station.

With the help of MVC Plumbing Maintenance Department, Public Works staff entered the former CIBC building to locate the sewer line under the floor for inspection and future office renovation plan. After sewer clean out, caps were removed to access sewer line and the video indicated that it is a cast iron pipe that has a lot of flaking of the inside of the pipe, which means it should be replaced along with renovation. The locator device with video camera showed the path and depth of line under the floor, which will be useful for contractors bidding on renovation job.

April 15th - Treatment plant manager attended the Annual MPWWA Wastewater Seminar/Trade Show in Moncton NB. Seminar is 3½ days long and consists of workshops in the field of water and wastewater. Conference seminar is worth 1.5 CEUs, part of the number of CEU's that are required over a 4 year period in order for operators to retain their certification. Treatment plant manager is considered a DRC (Direct Responsible Person in Charge) and is required to accumulate 4.8 CEUs versus 2.4 for regular level 2 operators.

April 18th - Pumps were ordered from Xylem for KN-14, the newest East Main St lift station. New pumps approved by ABLE Engineering are designed to accommodate the 2km of 6 inch force main to be installed under the abandoned rail bed this year once final paperwork has been approved by DNR with regards to design and easement location of pipe. Once paperwork is approved, project can go out to tender.

Daily work at the treatment plant is ongoing and has been quite busy of late with staff dealing with excess water from precipitation and surface water infiltration through tops of manholes and illegal sump pump hook ups throughout different areas of the village. The treatment plant goes through higher flows than design flow this time of year normally, but it has taken a lot longer for plant to come back this spring. Plant is still in compliance for the most part and has started to show improvement over the last week.

ph 902 765-2800
fx 902 765-0807

REPORT TO VILLAGE COMMISSION

From: **Danny Lundrigan, Public Works Supervisor**
Date: **May 1, 2019**
Re: **Public Works Report**

April 4th - Large maple cluster broke off tree inside Westwood St playground. Part of the tree fell onto roof of Rec Hut which caused no damage, however tree did bend top rail and chain link fence. Atlantic Arborists were called in to remove remainder of maple cluster to avoid damage to playground infrastructure and eliminate any possible chance of injury to the public. Park was closed for the day until arborist could remove rest of tree the next day.

April 15th - Public Works staff, with the help of contractor with backhoe and dump truck, installed boulders at the end of Prince St., as per commission request, to help stop ATV use at the end of this street. We also had some boulders placed around our gate by treatment plant. ATV riders were accessing Fitness Trail by driving around the end of the gate so hopefully this will cut down on ATV use of our walking trail.

April 15th - One of the seasonal employees started back to work to help with spring clean up. The remaining rink boards were gathered up and stored inside the barn, tennis courts cleaned of sand and rocks, and tennis nets installed. Raking and picking up brush and litter, painting picnic tables and benches are ongoing. Interviews have been conducted for the other Public Works seasonal worker. New seasonal employee will start May 13th.

April 16th leaf and brush bins were delivered by EFR to Public Works barn on Elm St. Their usage has been steady and bins have been dumped twice to date.

Public Works staff met with 2 different contractors for price to construct pergola style awning on the Steer BBQ grounds to replace old rotten one that was removed last month. Price will include material and labour and should be received this week. Public Works staff have already tilled the area and removed the topsoil in preparation for the gravel pad where pergola will be constructed. Staff has also tilled a section by the tennis courts and removed topsoil in preparation for a gravel parking lot. Gravel cannot be hauled to locations until road weight restrictions are off on May 11th.

Compost piles hauled to the upper Ravenwood ball field late last December are still frozen solid in the middle. Public Works Staff will try to open up piles to help thaw out faster. Contractor will level and reseed whole field, hopefully next week, after piles thaw out as per quote received last fall.

Public Works staff have also framed and constructed the anniversary cake design for this year's Princess Kingston parade float, which will also mark the 60th Steer BBQ. Float committee will decorate.

REPORT TO VILLAGE COMMISSION

From: **Glen Abriel, Recreation Coordinator**

Date: **May 1, 2019**

Re: **Recreation Report**

RECREATION HUT - Park Safety 2019

- Recreation has been installing safety tubing over tops of fencing surrounding the Rec Hut Park.

KINGSTON SCHOOL

- Recreation has been consulting with Kingston school regarding potential use of their outdoor space surrounding their school throughout the summer months.

PINE RIDGE SCHOOL – Outdoor Leadership – Wed May 1st – 3rd

- Pine Ridge Exploratories – Kingston Recreation will be leading 26 students in 3 days of outdoor leadership experience. Thursday there will be a hike to Crystal Falls.

KINGSTON CREDIT UNION CENTER

- Credit Union Centre ice has been removed and present non-ice programming includes: female roller derby practices, 14 Wing military ball hockey practices, warm room meetings, Valley Thunder Lacrosse, free public roller skating and In-line skating, etc.

KINGSTON LEGION – 2019 CHASE THE ACE

- Kingston Legion Branch #98 is hosting a Chase the Ace fundraiser for 2019 every Saturday from 1pm to 3pm with the draw at 3:30pm. Fundraiser continues every Saturday until the ACE is drawn again.

STEER BBQ MEETING 2019 – TUES MAY 14th @ 6:30PM – KINGSTON LEGION

- Fundraising of local businesses has begun.
- Recreation will be contacting Kings County Recreation to set up a meeting time for Steer BBQ Committee to meet with Kings County staff for a funding presentation.

KINGSTON POTENTIAL SUMMER PROGRAMS 2019

- Outdoor Basketball - Wednesday evenings
- Beach Volleyball – Tuesday/Thursdays
- Shuffle Board equipment will be available at the Elm Street shuffleboard court.
- Investigating instructors for a tennis program with Kings County.

2019 KINGSTON UNITED CHURCH – WEED, WATER & WHISPER WEDNESDAYS

- Every Wednesday @ 10am providing community gardening leadership and opportunity.
- Recreation has been discussing with Kingston School regarding potential summer garden on school property.

KINGSTON CENTENNIAL PARK OUTDOOR CONCERTS - SUMMER 2019

- Recreation has made initial contacts with past performers including: Sonlight Ministries, Matt Lunn, Next Generation Bluegrass, Left of Centre. Many have remarked on how much they enjoy the venue & positive feedback from their performances.

KINGSTON/GREENWOOD MINORBALL – RAVENWOOD EQUIPMENT BUILDING

- Water has been turned on by public works.
- Minor Ball will begin week of May 25th and registrations have been steady.
- Ladies ball will begin by the end of the month on Thursday evenings.
- Middleton High School teams have been using Kingston fields due to a variety of circumstances over the last two weeks.
- West Kings girls ball teams have been using the arena ball field

SUMMER DAY CAMP 2019

- Alxys Chamberlain will NOT be returning as Day Camp Leader. Interviews for potential intern/leader will take place within the next week.
- Potentially three of previous year's staff returning.

2019 VILLAGE OF KINGSTON FACILITY WATER TESTING

- Recreation will begin water testing this week for the 2019 season.

2019 VILLAGE OF KINGSTON PARK SIGNAGE

- Glen is working with Clerk to come up with common signage and information design for the various park locations throughout the Village.

2019 KINGS COUNTY RECREATION GUIDE

Kings County Recreation Guide has been submitted to Herald & Kings County for printing.

2019 ADULT/SENIOR OPPORTUNITIES

- Older Adult Fitness continues on Tuesdays & Thursdays 10am at the Kingston Fire Hall. Recreation Department is investigating hosting an additional fitness class that would be more aggressive. The time would be 11:15 – 12:15 Tues/Thurs.
- Adult Tai Chi continues on Mondays and Thursdays at the Kingston Elementary School
- Walking Wednesdays @ 1pm – Social Walk & Talk meet each Wednesday at the Village Office to walk at various locations throughout the Village.

2019 KINGSTON LIBRARY

Recreation has been working with Kingston Library Branch regarding partnering and planning summer programming.

MAY 2019 COMMUNITY EVENTS

- Sat May 4th 8am - Kingston All Saints Anglican Church Spring Yard Sale
- Sat May 4th 2pm – Apple Blossom Wardrobe Tea – Kingston Fire Hall
- Sat May 11th 10am to 9pm – Roller Derby ROLLER DISCO – Credit Union Centre
- Tues May 14th – Lions Community Luncheon – 12noon – 1pm – Roast Beef
- Sat May 25th 8am – 1pm – Kingston Lions Club Yard Sale

REPORT TO VILLAGE COMMISSION

From: **Mike McCleave, Clerk/Treasurer**
Date: **May 1, 2019**
Re: **Clerk Report**

RECOMMENDATION

That this report be received for information.

Audit

Lawrence Lake, our auditor, was in our office April 17, 2019 to start the annual financial audit. Draft financials should be available for this meeting or shortly after. The financial statements will be approved by the Commission at our Annual General Meeting.

DNR Easement for Force Main on Rail Bed

The province has drafted the easement and it will be sent this week to be recorded at the land registry office. Once the plan is recorded, the easement will be sent to the Village for signatures. Once we send it back to the Province, the Minister must sign it as well. (We are still waiting for the formal easement document.)

DNR Land Purchase – Green Space

Our survey plans are being recorded at the land registration office and once complete, DNR will have the documents created for our land purchase.

Library Expansion / Village Office

Met with three groups to get pricing on the design of the new Village office and library expansion. I am hoping that price quotes will be in by the end of the week.

Approved Capital Projects 2019-20

STP Clarifier Refurbishment	75,000
KN-14 Force Main Installation	\$200,000 / \$400,000 (PCAP Funding - 50%)
Public Wi-Fi/Camera Expansion	38,000
Office/Library Renovation	\$175,000 / \$325,000 (Province - \$150,000)
Trail Repair	15,000
Water Drilling Study	\$50,000 / \$100,000 (County of Kings- \$50,000)
Highway 101 Signage	25,000
Steer BBQ Stage Replacement	8,000
Digital LED Sign	30,000

Operating Budget Motions

THAT THERE WILL BE NO INCREASES TO THE 2019/20 RESIDENTIAL TAX RATE AND IT BE SET AT 30.9 CENTS ON RESIDENTIAL AND RESOURCE PROPERTIES.

THAT THERE WILL BE NO INCREASES TO THE 2019/20 COMMERCIAL TAX RATE AND BE SET AT 41.3 CENTS ON COMMERCIAL PROPERTY.

THAT THERE WILL BE NO INCREASES TO THE 2019/20 SEWER RATES FOR ALL RESIDENTIAL AND COMMERCIAL PROPERTIES.

THAT THE DRAFT 2019/20 OPERATING BUDGET DISSEMINATED AT THE APRIL 3, 2019 COMMISSION MEETING BE ACCEPTED AND APPROVED.
